

# Samsara Driver App

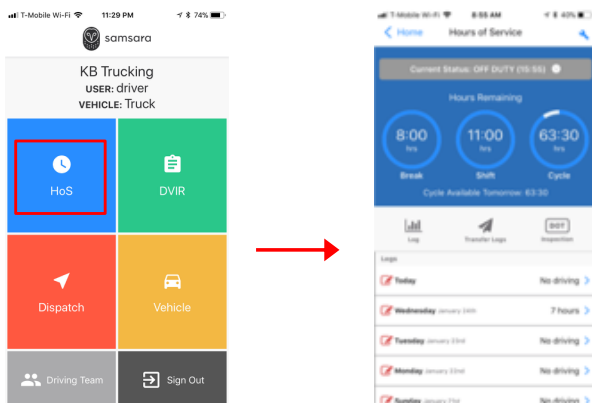

## Getting Started Guide

samsara.com/eld

This document does not meet requirements for 49 CFR 395.22 (h) and must be accompanied by the Samsara **DOT Inspection Card** and **User Manual** in physical or electronic form.

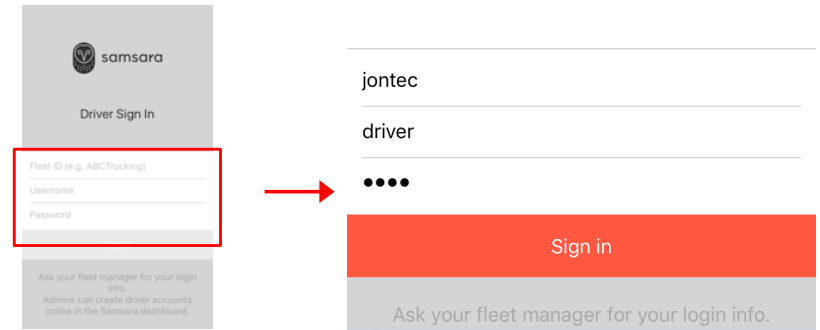

Last updated: 1/25/18

## 2 Review Hours of Service

After sign in, tap **“HOS”**. You will then see the Hours of Service Dashboard

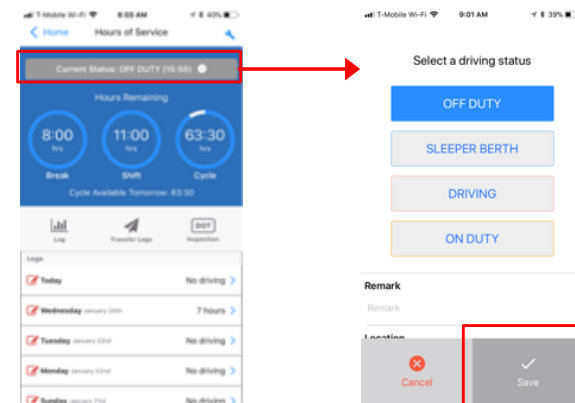

## 1 Sign In

1. Launch the Samsara Driver App
2. Type **Fleet ID**, **Username**, and **Password** and tap **“Sign in”**
3. Select a **Vehicle** from the list

Please contact your fleet manager for your login details.

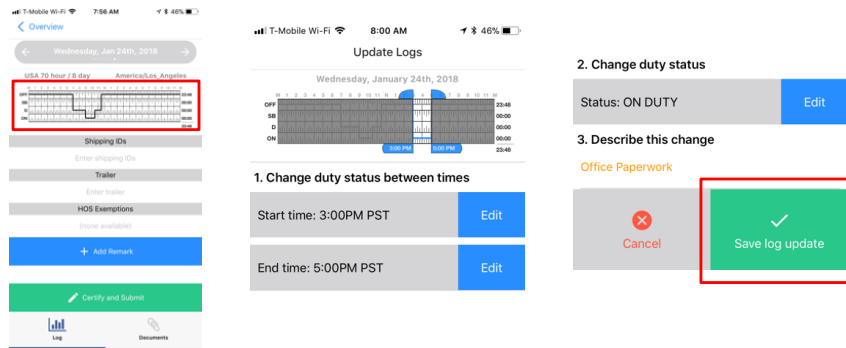

## 3 Set Duty Status

1. Tap **“Current Status”** at the top of the screen
2. Select a **Duty Status** and tap **“Save”**

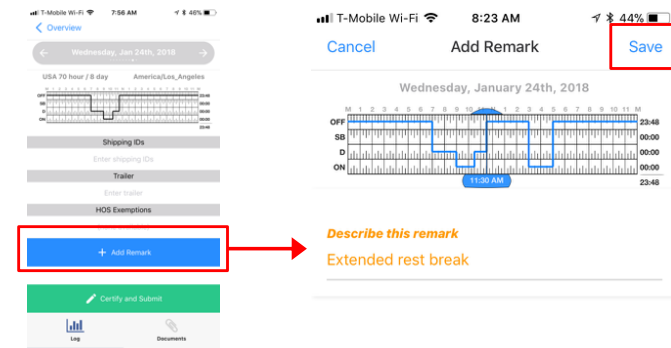

**Note:** Vehicles in motion automatically switch to DRIVING

## 4 Edit Your Log (if appropriate)

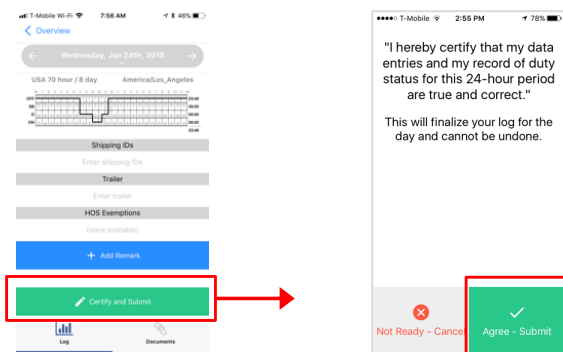

1. From the **Log** screen, tap on the **graph**
2. Set the **start** and **end time** for the status adjustment
3. Select the appropriate **duty status**
4. Scroll down and **add a remark** for the change
5. Tap **“Save log update”**

## 5 Add a Remark

1. From the **Log** screen, tap the **“Add Remark”** button
2. Type the **remark** and tap **“Save”**

## 6 Certify Your Log

1. Tap the **“Log”** icon OR tap on the day you wish to certify
2. Tap **“Certify and Submit”**
3. Read the statement and tap **“Agree - Submit”** to agree

## 7 Sign Out

**Always remember to Sign Out**  
or you will be responsible for all  
vehicle drive time

1. Return to the **Home** screen
2. Tap **Sign Out**
